HOW TRANSFORMING EUROPE CAN DRIVE YOUR GLOBAL GROWTH

It is our honour to invite you for the AmChams' CEE Conference The Future of Investing. Join us to hear perspectives and outlook of business leaders and investors on their investment plans and why the CEE region is strengthening its position on the global investment map. The Conference is divided in three thematic panel discussions: Digital Economy, Tourism Industry and Sustainable Manufacturing. Companies that have already identified the strategic opportunities in the regions will outline why investments in these three sectors will drive their global business success in the first half of the 21st century.

PROGRAM:

14:00 **DIGITAL ECONOMY** (Panel Discussion)

15:00 **TOURISM INDUSTRY** (Panel Discussion)

16:00 **SUSTAINABLE MANUFACTURING** (Panel Discussion)
